

*It's a Fact!*

# God is good

**"The LORD is good to all; he has compassion on all he has made." Psalms 145:9**

God is good! God is good to all who love Him. Since God is good He has compassion on us and helps us. God does not change, this means that there aren't days when He feels good so He is good, and other days when He is in a bad mood so He is nasty.

God is good all the time. He is only good; He can never be nasty.

Every good thing in the world comes from God. Because of this, He is not only good, but He is also what causes good things to happen.

Paul wrote: **"And we know that all things work together for good to them that love God, to them who are called according to his purpose."** Romans 8:28. This means that even when bad and difficult things happen to us, our big and strong God can overcome all the evil and sin, and He causes all things to turn out the best for us. Those who believe in Jesus also go through difficult times, but God is always with us and helps us overcome the situation.

In order to know how good God is we need to get to know God more and more. We need to read the Bible, to speak with God and to pray. God is good and He wants us to tell Him when we are sad and when we are happy. He always wants to help us.

In order to be more like Jesus we need to try and be good. We can do something good to dad, to mom, to our brothers and our sisters, and also to our friends. This way they will see and know that **God is good!**
