

It's a Fact!

Anyone Can Understand God's Word

All that is written in the Bible, both the Old and the New Testament, was written by God. God gave us a book in which we can read about God and learn about Him. God wrote all the books that are written in the Bible, so each person, at any age, young or old, can get to know Him. When you read the Bible there are words that are easy to understand and those that are difficult to understand. In order to understand every word we can ask our parents for help, or from our teachers at church, whose job is to teach us.

When Yeshua was on earth, he asked to let the children come to Him. Yeshua loved the children. Children can also study the Bible. Before we read the Bible we always need to pray and ask Yeshua to let us come to Him, and help understand what is written.

So, why is it that not everybody who reads the Bible understands that Yeshua is the Messiah? Because people don't read all the books in the Bible. In Israel many read only the Old Testament and don't want to get to know the true God.

Also, those who don't believe that Yeshua is the Messiah are blind and cannot see the truth. God needs to remove the blindness from them. Those whose eyes are closed, even if they read the truth in the Bible, will not be able to understand. This

is because they don't want to understand and they need God to open their eyes. God promised to take away their blindness when they want to know the true God with all their heart. Until then, they read the Bible but do not understand the one and only truth: we are sinners, and the only way to be cleansed from our sin is by believing in Yeshua, that God came to

the world as a human being and died for us to forgive us our sins.

It is encouraging to know that we can read the Bible at any age and understand what is written in it. If we don't understand a word, we can just pray to God and He will help us understand what is most important for us to know.

“The statutes of the LORD are trustworthy, making wise the simple...”

The commands of the LORD are radiant, giving light to the eyes.”

Psalms 19:7-8
